

GP 2500A Premium Portable Generator

Item Number: 0620128

GP 2500A

Rugged and powerful generators for the most demanding jobsites

>> Designed for construction rental and other demanding applications, these high performance, portable generators deliver unmatched tool starting and voltage regulation in a rugged, compact package. Built the Wacker Neuson way, with heavy-duty frames and premium components to provide long, trouble-free operation even in abusive environments. Ideal for powering high starting amperage tools such as compressors, grinders, fusion welders, saws, pressure washers as well as all of your Wacker Neuson electric- powered pumps, breakers, drills, concrete vibrators, etc. <<

Additional Advantages

- Best in class tool starting and voltage regulation due to unique step-start generator technology with AVR (automatic voltage regulation) and separate excitation winding.
- Full wrap-around frame with dual cross-member support, high impact polyethylene fuel tank and heavy duty shock-mounting combine to provide outstanding impact protection.
- A super quiet muffler allows for versatile operation.
- Available with the high performance Wacker Neuson OHC engine (on GP2600 and GP4000) or Honda OHV engine, both feature low oil shutdown.

Description	Metric	Imperial
Length x width x height	565 x 435 x 445 mm	22 x 17 x 17.5 in
Dry Weight	44.5 kg	98 lb
Shipping weight (including packaging)	47 kg	103 lb
Shipping size	591 x 448 x 495 mm	23 x 18 x 19.5 in
Maximum output	2500 W	2500 W
Continuous Output	2250 W	2250 W
Continuous AC amps	19 A	19 A
Voltage A.C.	120 V	120 V
AC circuit breaker amps		20
Frequency	60 Hz	60 Hz
Phase	1 ~	1 ~
Power factor (1 phs / 3 phs)	1	1
Engine Type	Honda GX160K1VX	
Starting system	Recoil	Recoil
Displacement	163 cm ³	10 in ³
Max. Rated Power at Rated Speed*	3.6 kW at 3600 rpm	4.8 hp at 3600 rpm
Operating speed	3600 1/min	3600 rpm
Power Rating Specification	SAE J1349	SAE J1349
Fuel tank capacity	12 l	3 US gal
Running time/full load	7 h	7 h
AC outlet receptacles	125V, 20 A Duplex, GFI 125V, 20 A Duplex	

Standard Package - GP 2500A

Include operator's manual and parts book. Some standard packages include wheel kit. Battery sold separately.

Please refer to our Price List and Ordering Guide for complete accessory information.

Specifications may change due to continuous product development. Users are advised to consult Wacker Neuson's Operator's Manual and website for specific information regarding the engine power rating. Actual power output may vary due to conditions of specific use.
